

To the Postal Regulatory Commission:

RECEIVED

N2021-1

2021 JUN -9 A 10:59

I am AGAINST the 10 year plan that has been proposed. It will kill the post office and make it private - which means it is answerable only to its shareholders and not the American people.

POSTAL REGULATORY
COMMISSION

I believe in Universal Service and the survival of a public agency the people of this country can rely upon. I ask the PRC to study what would make the USPS viable, to restore a reliable and efficient service.

If you approve this plan you acknowledge that you are knowingly destroying our oldest Constitutional 'original' public government agency. Do NOT privatize our Postal Service. I ask that you remove Mr.DeJoy as PostMaster General.

Sincerely,

Susan Mucci
